

## **Jamie Buffington**

### ***My Uncle Don***

Sweet, kind, patient, thoughtful, funny, I miss him so!

He was cowboy-cool all the time, but here he let me give him a groovy hair style that lasted about 30 seconds. I love that look on his face!

Sitting in our Chinook camper van somewhere in Wyoming, circa 1972.

Love and miss you tons, Uncle Don. You were one in a million!!

xoxo
